

Make a recycled bottle craft!

petunia pig

Supplies:

- Recycled water bottle
- 24" pink ribbon for bow
- Pink craft paint
- Pink chenille stem for tail
- Pink Foamies Glitter Sheet
- 4 corks (.75") for legs
- Black Foamies Sheet
- Hot glue and glue gun (adult supervision) or Fabri-Tac adhesive

Directions:

1. Squirt paint into bottle, put on lid and move bottle to coat inside with paint. Repeat until bottle is totally coated.
2. Paint cork legs and set aside to dry.
3. Trace lid onto back of pink glitter foam and cut out.
4. Make paper pattern for ears, check for a good fit and then trace on back of glitter foam and cut out.
5. Cut 2 nostrils and 2 eyes from black foam.
6. Glue all foam pieces with hot glue gun or Fabri-tac adhesive.
7. Wrap pink chenille stem around pencil, glue to bottle bottom.
8. Glue legs in place.
