## Candy Cane Wreath

### Materials:

- 22 candy canes
- Hot glue
- E6000
- Ribbon

### Directions:

- 1) Glue candy cane pairs together, back to back (with the curve facing outward), tie a piece of ribbon to hold them together, repeat 11 times
- 2) Lay out candy cane pieces & glue tips together creating a heart shape
- 3) To secure candy canes together dap E6000 on all points, let dry for a couple of hours or overnight
- 4) Use leftover ribbon to hang the wreath
